

FIVE SENSES

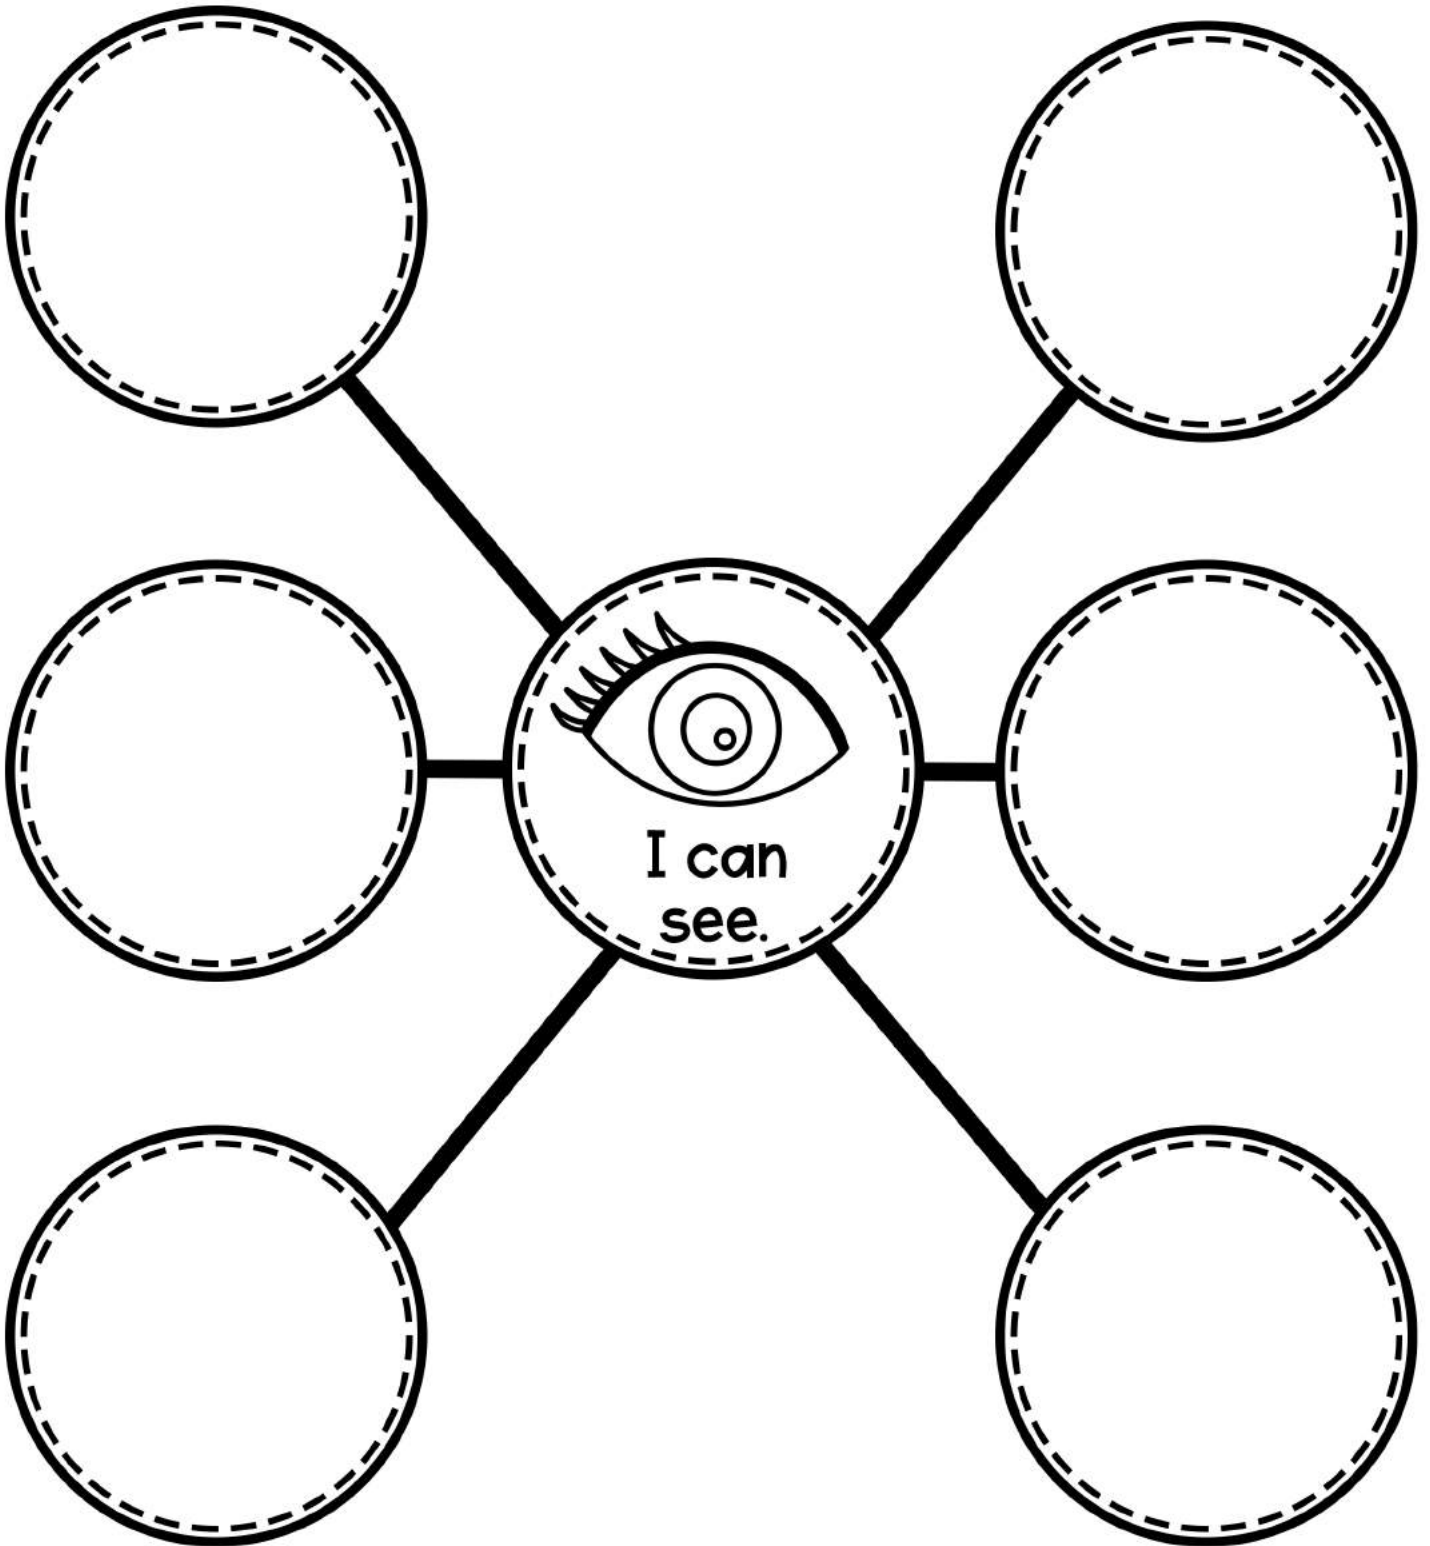

Free Printables

The image shows three overlapping worksheets for a 'Five Senses Activities' activity. Each worksheet has a header with 'Worksheets PDF Teaching Resources', a 'Name: _____' field, and a 'Date: _____' field. The central worksheet is titled 'Five Senses Activities' and contains the text 'Here are some things that I can taste.' Below this text is a diagram consisting of a central circle with a tongue icon and the text 'I can taste.' Five lines radiate from this central circle to five empty dashed circles, intended for students to write things they can taste. The other two worksheets are partially visible behind it, one showing 'Here are some things that I can see.' and another showing 'Here are some things that I can see.' A cartoon boy with yellow hair, a red shirt, and purple pants is holding a magnifying glass over the central worksheet. The website 'WorksheetsPDF.com' is printed at the bottom of each worksheet.
